to great networking opportunities,
the Chamber helps you build your business.

The Chamber's updated website
provides high quality referrals directly to Chamber Members
from visitors, Members and the general public.

As a direct result of your sponsorships,
the Chamber also supports K-12 education,
community leadership programs,
arts groups and other community based organizations.

The Chamber takes the lead on key issues
affecting business in Silicon Valley.
We advocate for infrastructure investments that help business run, including
the San Jose Airport, BART to San Jose, and a
dependable water and electric supply.

The Chamber's strong pro-business voice is heard
frequently at San Jose City Hall as well as in Sacramento and Washington
on issues critical to our Members, like
workers' compensation reform and commercial property tax rates.
