You can strategically direct funds toward Chamber programming that enhances our community and fosters a thriving local economy through the San Jose Chamber of Commerce Community Benefit Foundation and/or the Bob Kieve Building Preservation Foundation.

SAN JOSE CHAMBER OF COMMERCE COMMUNITY BENEFIT FOUNDATION

The San Jose Chamber of Commerce Community Benefit Foundation provides a meaningful opportunity for individuals and organizations to make tax-deductible contributions that drive impactful programs in business education, community engagement, and economic development. As the charitable arm of the Chamber, the foundation partners with the Chamber to deliver a range of initiatives designed to empower small businesses, nurture leadership, and foster sustainable economic growth across the region. These contributions fund vital programs and resources that equip businesses with the skills and support they need to succeed, while also investing in the broader community for lasting positive change.

BOB KIEVE BUILDING PRESERVATION FOUNDATION

The Chamber's headquarters is more than a historical landmark; it has the capacity to serve as a vital hub where business and community gather to shape the future of San Jose. While the capacity exists, our potential to activate the spaces are limited for today's standards and significant upgrades are needed. Your generous support will count towards your sponsorship investment and help create a place where ideas are exchanged, partnerships are forged, and progress is made.
